GURIT AWARDED ECOVADIS GOLD MEDAL FOR SUSTAINABILITY COMMITMENT AND PERFORMANCE

Zurich, February 5, 2025

Gurit (SIX Swiss Exchange: GURN) is pleased to announce that it has, for a second time, been awarded the Gold Medal by EcoVadis, a global leader in business sustainability assessments. This recognition highlights the company's ongoing commitment to sustainability.

Over the past three years, Gurit's overall score has improved by 44%, placing it among the **top 5%** of companies assessed by EcoVadis globally. This progress reflects the company's dedication to continuous improvement and excellence in sustainability practices.

The EcoVadis assessment evaluates 21 sustainability criteria across four core themes: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement. With over 130,000 companies rated worldwide, achieving a Gold Medal is a significant accomplishment.

Gurit's success is a result of the collective efforts of dedicated colleagues. Across all functions, regions, and levels, staff are engaged in sustainability initiatives, working together to make a positive impact on the planet and society. This collaborative approach is central to the company's achievements and long-term strategy.

Gurit remains committed to achieving its sustainability ambitions and supporting customers in reducing greenhouse gas emissions, waste, and electricity use.

"Our mission is to drive leadership in sustainability," says Javier Perez, CEO a.i.. "This award affirms our dedication to integrating business with environmental and social responsibility, and we are proud to be recognized for our continuing commitment to this strategic priority."

Gurit's latest Sustainability Report, detailing progress, and future goals, will be published on March 3, 2025, online at: <https://www.gurit.com/financial-reports-and-presentations/>.
